Basic First Aid & Deb Training

Dear Parents,

Mrs Joanne Molloy will deliver Basic First Aid & Defibrillator training in school on Wednesday 8th November from 6.30-9.30pm. The training will cover recovery position, CPR and choking. This will be very valuable training for staff, parents, family & community members, especially as we now have a Defibrillator outside our school gates for community use.

Please contact the school office if you wish to attend this training before Tuesday 7th November as Joanne needs to be informed of numbers. Members of the community and local businesses are all very welcome to attend the training.

Thank you for your continued support and assistance.

Yours sincerely,

Martina Martin
