

EA Connect Admissions

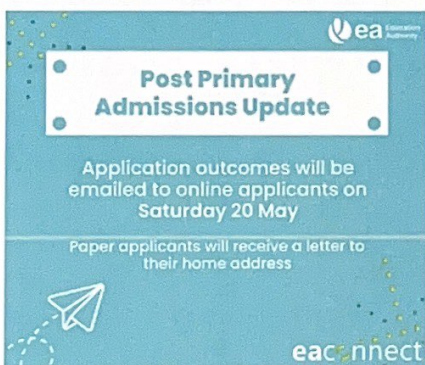

Post Primary Placements - 20 May 2023

Parents will receive notification of the outcome of applications to post primary this Saturday 20 May 2023. EA Connect will send an email with the outcome to those parents who have applied via the system and letters will be issued to those where no email is held. Parents can also view the outcome by logging in to EA Connect. There will be a helpdesk available on the day from 9am to 12 noon to support parents.

To inform parents and to signpost to further support resources, a Social Media Toolkit with graphics and messaging is available to download for those schools who wish to share messages throughout the week. Click the below link to access resources:
