Wednesday 8<sup>th</sup> April 2020

**HAPPY EASTER EVERYONE!**

Dear Parents,

I hope you are all well and are keeping safe, during this difficult and uncertain time. Thank you all very much for your ongoing support and hard work over the past few weeks. It has been a steep learning curve for us all, as we familiarised ourselves with the concept of online learning. We now have over 90% of our pupils registered for Google Classroom. Well done everyone! Google Classroom will be our main learning forum from the Monday 27<sup>th</sup> April, as our Home Learning packs have work provided until Friday 24<sup>th</sup> April. Children will need to check their 'Classwork' in Google Classroom every day. We will be in touch with more details after Easter. Please continue to check your child's work as they complete it, as feedback is essential for your child's learning. Teachers are available through Google Classroom and email to answer your queries and offer guidance on your child's learning.

Tomorrow will be our 'official' Easter holidays, so *you* and your children deserve to take a well-earned break from Home Learning. You are all doing a fantastic job!! We are really enjoying seeing all the photographs of our children and hearing what they are getting up to at home. There is quite a lot of baking happening - I must admit we've jumped on that bandwagon too!! Keep posting photographs of the children please!

Our second term of school has not ended how we had planned and unfortunately we are unsure what our third term has in store for us, but we will make the best of this situation we find ourselves in - we are after all 'living through History'.

As a staff, we are missing each and every one of our 'children'; their little stories, habits, quirks and unique personalities. We are also missing our wonderful parents, as I'm sure you are missing each other. This will not last forever and it will make the reunion all the better!

Keep Safe!

Yours sincerely,

*Martina Martin*
